(Note: Summaries have been composed describing Utah State Veterans Benefits by paraphrasing essential excerpts of the Utah State Code. For complete legal information consult the legal code.)

Property Tax Abatement: A Utah permanent place-of-residence property tax exemption equivalent to the military service-connected disability rating percentage is provided for disabled veterans or for their Un-remarried widows or minor orphans. Veteran's disability rating must be at least 10%. The maximum property tax exemption, rated at 100% military service-connected disability, is \$232,312. To figure out how much your tax abatement will be, multiply your percentage of disability by 232,312. Example:
 $10\% \text{ disability} \times 232,312 = \$23,231.20$ tax abatement. This amount is then subtracted from the taxable value of the property and taxes are paid on the remaining amount. To apply for Utah Disabled Veterans Property Tax Exemption, request an official statement showing that VA rating from the U.S. Dept. of Veterans Affairs (VA) at 1-800-827-1000, then that statement, along with a copy of the veteran's U.S. Military active duty release/discharge certificate or other satisfactory evidence of eligible military service, and the tax exemption application, **on or before September 1st**, to the applicable county treasurer, tax assessor or clerk/recorder located in the county courthouse or county government building of each county seat. All property must be on record as of January 1st of the year you wish to file. However, a recent change allows qualified widows and orphans an exemption to that rule.

NOTE: Effective January 1, 2008 disabled

Veterans will only be required to file for property tax abatement one time. After the initial filing it will automatically renew each year although the counties may request that all information be verified. However, veterans will have to re-file if all or a portion of their abatement is used towards tangible personal property, if their service-connected disability percentage changes, the veteran dies, sells the property or no longer claims that property as their primary place of residence. (Utah Code 59-2-1104 & 1105)
